reef is an embittered young offender hardly able to contain his anger at the world over the death of his grandmother the only person who had shown him any love seventeen year old leeza is mourning the death of her older sister a stone hurled in rage shatters both their lives and throws them together in the most unexpected way and offers them a chance at healing

this annotated bibliography organized geographically by world region and country describing nearly 700 books representing 73 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children's literature it is the third volume sponsored by the united states board on books for young people the first carl m tomlinson's children's books from other countries 1998 is a compendium of international children's literature with annotations of both in and out of print books published between 1950 and 1996 susan stan's the world through children's books 2002 was the second and it included books published between the years 1997 and 2000 crossing boundaries includes international children's books published between 2000 and 2004 as well as selected american books set in countries other than the united states editor doris gebel has compiled an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity

this book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters it asks if you make sense of fiction by identifying with one main character how do you handle two or more of them do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers if not how do these novels manage to operate within the parameters of those conventions this book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of american british canadian and australian novels for children and for young adults

academic study of children's literature has explored various aspects of diversity however little research has examined canadian books that portray characters with disabilities this relevant and timely text addresses the significant dearth of research by exploring the treatment of disability in canadian literature for young people engaging and highly accessible this text will assist teachers teacher educators and teacher candidates in finding and using books about characters where disability is a part of their characterization supporting the development of curricula that reflect critical literacy and social justice issues stories for every classroom explores the historical patterns and trends theoretical frameworks and critical literacy methods used to understand and teach children's literature and its portrayal of characters with disabilities it provides educators with curriculum ideas and enriches the body of resources shared with children in k-12 settings for the purposes of developing imagination empathy and understanding of self and others featuring author portraits comprehensive annotated bibliographies of contemporary canadian children's books that depict characters with disabilities and read-on bibliographies that provide connections with other books in the field this unique text will be an invaluable resource for educators

articulate riveting deftly crafted and thought provoking children of tomorrow is especially and unreservedly recommended for both community and college university library fiction collections midwest book review children of tomorrow is a history of family and friendship that spans generations and geographies over a century of escalating climate change in 2016 arne bakker is working on a reforestation project in tasmania shortly before bushfires sweep across the ancient wilderness elsewhere london born freedriver evie weatherall witnesses extreme climate events in her travels arne's close friend and evie's canadian cousin wally influencer journalist and musician also sees a dangerous future forming meanwhile arne's brother freddie a shredded poster boy for global environmental activism is mobilizing his followers when their paths collide the group is set on course to witness and struggle together against the coming century decades later a new generation is living with the havoc wreaked by their parents and grandparents and they too must find ways to find hope for the future in an increasingly difficult present luminous thoughtful unflinching there's a breathless relentlessness to the increasing carbon dioxide numbers that kept me flipping pages as if it were a thriller but even as it portrays the disasters and collapses it also portrays what's best about humanity our capacity to hope love change and forgive a stunning and necessary addition to the existing oeuvre of climate change fiction preme mohamed the annual migration of clouds

matthew fox's this is it about the stories and secrets that bind families and lovers is nothing less than a modern masterpiece gut wrenching sharply observed and deeply funny the novel excavates generations of zappacosta family lore to take the reader on an emotional journey unlike any other each sentence is a gift wrapped in matthew's gorgeously dry wit a tour de force that will leave you breathless carley fortune 1 new york times bestselling author of meet me at the lake and this summer will be different giovanni zappacosta o'hara suspects that there's more to his family's legacy than he's been told his parents recount the history in devastating scandalous and rollicking stories while gio and his boyfriend joke that there must be lies woven into the details when his boyfriend is struck with cancer the laughter stops gio can't bear watching the disease eat away his life his sanity and the person he loves full of shame gio flees to new york using his family history as a feeble excuse he's going to get to the bottom of it what happens next forces gio to confront his cowardice and find a different motivation for his book redemption as he retells the stories he discovers family secrets that make him question his identity the hilarious and heartfelt characters he finds along the way give him surprising chances to get over himself but will he take them
